They are known as basecoat colours, which require spraying over primer and need clearcoating. What are the options for painting?

Fun Furniture Collection will give you large choice of colours chosen from a colour chart provided. Alternatively if you provide a colour reference we can try and match this paint, or send us a photograph of your vehicle and we will try and match it to the best of our ability. FREQUENTLY ASKED QUESTIONS

What size and depth of the mattress does the bed fit?

Every bespoke theme bed made at Fun Furniture Collection fits a standard single UK mattress 190cm Length x 90cm Width x 15cm Depth.

We understand parents read stories at bedtime and we feel it's important for the child and parent to be comfortable on a standard single mattress where there are few restrictions.

FREQUENTLY ASKED QUESTIONS

What are the delivery options?

We give you a choice for delivery options for your order.

A) We can get you a quote from a local trusted courier who has proven himself over many years delivering our furniture. He is a dedicated courier only carrying your goods. As our goods are so valuable we do not send them out via group carriers, as they tend not to look after the product, as past experience has taught us.

B) You are also very welcome to use any other delivery service. Please be aware that our furniture comes in multiple packages, and varies in weight and size.

C) You can pick your furniture up from the workshop in Stoke on Trent.

FREQUENTLY ASKED QUESTIONS

Can you come and install my furniture?

Fun Furniture Collection offers a white glove installation service. Please contact us to check availability and cost.

FREQUENTLY ASKED QUESTIONS

What age do the beds start from?

Fun Furniture Collection feel it is the choice of the parent to decide when their child is ready for their first big bed. We have had children from the age of 2 1/2 getting their first beds from us. As it is a standard single mattress your child will not grow out of it until they are over 6' 2". In respect of the Bunk beds European guidelines say a child under 5 years old should not be on a top bunk.

Fun Furniture Collection is more than happy to answer any other questions that you may have. Please contact us via our web-site or by phone and we will be happy to help.
